PLEASE, ALSO CHECK OUR PRIVACY POLICY, RISK POLICY AND OTHER DOCUMENTATION THAT, MUTUALLY WITH THIS LEGAL DOCUMENT, REPRESENT THE SET OF LEGAL CLAUSES APPLIED TO THE USE OF OUR WEBSITE, PLATFORM, PRODUCTS AND SERVICES.

Disclaimer

To the maximum extent permitted by applicable law, we exclude all representations, warranties and conditions relating to our website and the use of our website. Nothing in this disclaimer will:

- limit or exclude the Service Provider's liability for misinterpretation of the information presented on the website;
- limit any of the Service Provider's liabilities in any way that is not permitted under applicable law;

Our Crypto Services carry a high level of knowledge and risk, and can result in losses. The high level of risk means our Crypto Services is not suitable for everyone. If you are in any doubt, you should seek independent advice.

- that you have read the Disclaimer and all the documents supplied to you in connection with our Services and that you fully agree to them;
- that you understand and agree that our relationship may be amended from time to time, in which case you automatically agree to such modifications;

These Terms & Conditions constitute a legally binding agreement made between you, whether personally or on behalf of an entity ("you") and DArt DAO ("team", "we", "us", or "our"), concerning your access to and use of the <https://www.dartdao.com/> website as well as any other media form, media channel, mobile website or mobile application related, linked, or otherwise connected thereto (collectively, the "platform"). You agree that by accessing the platform, you have read, understood, and agreed to be bound by all of these Terms & Conditions. IF YOU DO NOT AGREE WITH ALL OF THESE TERMS OF USE, THEN YOU ARE EXPRESSLY

PROHIBITED FROM USING THE SITE AND YOU MUST DISCONTINUE USE IMMEDIATELY.

Supplemental terms and conditions or documents that may be posted on the platform from time to time are hereby expressly incorporated herein by reference. We reserve the right, in our sole discretion, to make changes or modifications to these Terms & Conditions at any time and for any reason. We will alert you about any changes by updating the “Last updated” date of these Terms & Conditions, and you waive any right to receive specific notice of each such change. It is your responsibility to periodically review these Terms & Conditions to stay informed of updates. You will be subject to, and will be deemed to have been made aware of and to have accepted, the changes in any revised Terms & Conditions by your continued use of the platform after the date such revised Terms & Conditions are posted.

The information provided on the platform is not intended for distribution to or use by any person or entity in any jurisdiction or country where such distribution or use would be contrary to law or regulation or which would subject us to any registration requirement within such jurisdiction or country. Accordingly, those persons who choose to access the platform from other locations do so on their own initiative and are solely responsible for compliance with local laws, if and to the extent local laws are applicable.

INTERFACE

The platform provides access to a decentralized protocol that creates an ecosystem where the participants benefit from sharing ownership & profits and governing the future of Digital Art together (NFTs), and to interact with the platform and transact using smart contracts (“Smart Contracts”).

Using the platform may require that you pay a fee on the DArt DAO platform to perform a transaction. You acknowledge and agree that DArt DAO has no control over any transactions, the method of payment of any transactions, or any actual payments of transactions. You must ensure that you have a sufficient balance to complete any transaction on the platform before initiating such transaction.

You acknowledge and agree that DArt DAO has no control over any transactions over the platform, the method of payment of any transactions or any actual payments of transactions. Accordingly, you must ensure that you have a sufficient balance of the applicable cryptocurrency tokens stored at your DArt DAO-compatible wallet address (“Cryptocurrency Wallet”) to complete any transaction on the platform or the DArt DAO platform before initiating such transaction.

When used on this platform, the terms “debt,” “lend,” “borrow,” “collateral,” “credit,” “leverage,” “bank,” “borrow,” “yield,” “invest” and other similar terms are not meant to be interpreted literally. Rather, such terms are being used to draw rough, fuzzy-logic analogies between the heavily

automated and mostly deterministic operations of a decentralized-finance smart contract system and the discretionary performance of traditional-finance transactions by people. When the platform is used by users to access the platform and transact using Smart Contracts, there are no legal agreements, promises of payment, or courts of law, and therefore there are no debts, loans, or other traditional finance transactions involved.

If the User grants express permission to a third party to access or connect to the Account(s), either through the third party's product or service or through the website, the User acknowledges that granting permission to a third party to take specific actions on their behalf does not relieve them of any of your responsibilities under this Agreement. NO ADVICE

All information provided by the platform is for informational purposes only and should not be construed as professional advice. In particular, the content and materials available on the platform does not constitute any form of advice or recommendation by us, should not be regarded as an offer, solicitation, invitation or recommendation to buy or sell investments, securities or any other financial services and is not intended to be relied upon by you in making any specific investment or other decisions. You should not take, or refrain from taking, any action based on any information contained in the platform. Before you make any financial, legal, or other decisions involving the

platform, you should seek independent professional advice from an individual who is licensed and qualified in the area for which such advice would be appropriate.

Nothing included in the platform constitutes an offer or solicitation to sell, or distribution of, investments and related services to anyone in any jurisdiction.

From time to time, reference may be made to data we have gathered. These references may be selective or, may be partial. As markets change continuously, previously published information and data may not be current and should not be relied upon.

Any reference to any Rate on the platform is denominated in terms of stablecoins or other digital assets or tokens, as applicable, not USD or other fiat currency. The swap rate is a forward-looking projection based on a good faith belief of how to reasonably project results over the relevant period, but such belief is subject to numerous assumptions, risks and uncertainties (including smart contract security risks and third-party actions) which could result in a materially different (lower or higher) token-denominated rate.

The rate is not a promise, guarantee, or undertaking on the part of any person or group of persons, but depends entirely on the results of operation of smart contracts and other autonomous systems (including third-party systems) and how third parties interact with those systems after the time of your deposit.

Even if the rate is achieved as projected, you may still suffer a financial loss in fiat-denominated terms if the fiat-denominated value of the relevant tokens (your deposit and any tokens allocated or distributed to you pursuant to the rate) declines during the deposit period.

THIRD-PARTY WEBSITE AND CONTENT

The platform may contain (or you may be sent via the platform) links to other websites ("Third-Party Websites") as well as articles, photographs, text, graphics, pictures, designs, music, sound, video, information, applications, software, and other content or items belonging to or originating from third parties ("Third-Party Content"). Such Third-Party Websites and Third-Party Content are not investigated, monitored, or checked for accuracy, appropriateness, or completeness by us, and we are not responsible for any Third-Party Websites accessed through the platform or any Third-Party Content posted on, available through, or installed from the platform, including the content, accuracy, offensiveness, opinions, reliability, privacy practices, or other policies of or contained in the Third-Party Websites or the Third-Party Content. Inclusion of, linking to, or permitting the use or installation of any Third-Party Websites or any Third-Party Content does not imply approval or endorsement thereof by us. If you decide to leave the platform and access the Third-Party Websites or to use or install any Third-Party Content, you do so at your own risk, and you should be aware these Terms & Conditions no longer govern. You should review the applicable terms and policies, including privacy and data gathering practices, of any website to

which you navigate from the platform or relating to any applications you use or install from the platform. Any purchases you make through Third-Party Websites will be through other websites and from other companies, and we take no responsibility whatsoever in relation to such purchases which are exclusively between you and the applicable third party. You agree and acknowledge that we do not endorse the products or services offered on Third-Party Websites and you shall hold us harmless from any harm caused by your purchase of such products or services. Additionally, you shall hold us harmless from any losses sustained by you or harm caused to you relating to or resulting in any way from any Third-Party Content or any contact with Third-Party Websites.

SITE MANAGEMENT

We reserve the right, but not the obligation, to: (1) monitor the platform for violations of these Terms & Conditions; (2) take appropriate legal action against anyone who, in our sole discretion, violates the law or these Terms & Conditions, including without limitation, reporting such user to law enforcement authorities; (3) in our sole discretion and without limitation, refuse, restrict access to, limit the availability of, or disable (to the extent technologically feasible) any of your Contributions or any portion thereof; (4) in our sole discretion and without limitation, notice, or liability, to remove from the platform or otherwise disable all files and content that are excessive in size or are in any way burdensome to our systems; and (5) otherwise manage the platform in a manner designed to protect our rights and property and to facilitate the proper functioning of the platform.

ASSUMPTION OF RISK

By accessing and using the platform, you represent that you understand the inherent risks associated with using cryptographic and blockchain-based systems, and that you have a working knowledge of the usage and intricacies of digital assets. You further understand that the markets for these digital assets are highly volatile due to factors including (but not limited to) adoption, speculation, technology, security, and regulation. You acknowledge that the cost and speed of transacting with cryptographic and blockchain-based systems are variable and may increase dramatically at any time. You further acknowledge the risk that your digital assets may lose some or all of their value while they are supplied to the platform. If you borrow digital assets from the platform, you will have to supply digital assets of your own as collateral. If your collateral declines in value such that it is no longer sufficient to secure the amount that you borrowed, others may interact with the platform to seize your collateral in a liquidation event. You further acknowledge that we are not responsible for any of these variables or risks, do not own or control the platform, and cannot be held liable for any resulting losses that you experience while accessing or using the platform.

You accept and acknowledge:

The value of an NFTs is subjective. Prices of NFTs are subject to volatility and fluctuations in the price of cryptocurrency can also materially and adversely affect NFT prices. You acknowledge that you fully understand this subjectivity and volatility and that you may lose money.

A lack of use or public interest in the creation and development of distributed ecosystems could negatively impact the development of those ecosystems and related applications, and could therefore also negatively impact the potential utility of NFTs.

The regulatory regime governing blockchain technologies, non-fungible tokens, cryptocurrency, and other crypto-based items is uncertain, and new regulations or policies may materially adversely affect the development of the Service and the utility of NFTs.

You are solely responsible for determining what, if any, taxes apply to your transactions. DArt DAO is not responsible for determining the taxes that apply to your NFTs.

There are risks associated with purchasing items associated with content created by third parties through peer-to-peer transactions, including but not limited to, the risk of purchasing counterfeit items, mislabeled items, items that are vulnerable to metadata decay, items on smart contracts with bugs, and items that may become untransferable. You represent and warrant that you have done sufficient research before making any decisions to sell, obtain, transfer, or otherwise interact with any NFTs or accounts/collections.

We do not control the public blockchains that you are interacting with and we do not control certain smart contracts and protocols that may be integral to your ability to complete transactions on these public blockchains. Additionally, blockchain transactions are irreversible and DArt DAO has no ability to reverse any transactions on the blockchain.

There are risks associated with using Internet and blockchain based products, including, but not limited to, the risk associated with hardware, software, and Internet connections, the risk of malicious software introduction, and the risk that third parties may obtain unauthorized access to your third-party wallet or Account. You accept and acknowledge that DArt DAO will not be responsible for any communication failures, disruptions, errors, distortions or delays you may experience when using the Service or any Blockchain network, however caused.

The Service relies on third-party platforms and/or vendors. If we are unable to maintain a good relationship with such platform providers and/or vendors; if the terms and conditions or pricing of such platform providers and/or vendors change; if we violate or cannot comply with the terms and conditions of such platforms and/or vendors; or if any of such platforms and/or vendors loses market share or falls out of favor or is unavailable for a prolonged period of time, access to and use of the Service will suffer.

DART DAO reserves the right to hide collections, contracts, and items affected by any of these issues or by other issues. Items you purchase may become inaccessible on DART DAO. Under no circumstances shall the inability to view items on DART DAO or an inability to use the Service in conjunction with the purchase, sale, or transfer of items available on any blockchains serve as grounds for a claim against DART DAO.

If you have a dispute with one or more users, YOU RELEASE US FROM CLAIMS, DEMANDS, AND DAMAGES OF EVERY KIND AND NATURE, KNOWN AND UNKNOWN, ARISING OUT OF OR IN ANY WAY CONNECTED WITH SUCH DISPUTES. IN ENTERING INTO THIS RELEASE, YOU EXPRESSLY WAIVE ANY PROTECTIONS (WHETHER STATUTORY OR OTHERWISE) THAT WOULD OTHERWISE LIMIT THE COVERAGE OF THIS RELEASE TO INCLUDE THOSE CLAIMS WHICH YOU MAY KNOW OR SUSPECT TO EXIST IN YOUR FAVOR AT THE TIME OF AGREEING TO THIS RELEASE.

We make no warranties as to the markets on which digital assets are transferred, purchased, or traded. You are solely responsible for determining what, if any, taxes apply to your digital asset transactions.

We do not store, send, or receive digital assets or funds. This is because digital assets exist only by virtue of the ownership record maintained on its supporting blockchain. Any transfer of digital assets occurs within the decentralized platform and the blockchain. We cannot assist you to cancel or otherwise modify any transaction or transaction details. There are no warranties or guarantees that a transfer initiated via the platform will successfully transfer title or right in any digital asset.

Accordingly, you understand and agree to assume full responsibility for all of the risks of accessing and using the platform and interacting with the platform.

GOVERNING LAW

These Terms & Conditions and your use of the platform are governed by and construed in accordance with the laws of St. Vincent & the Grenadines applicable to agreements made and to be entirely performed within St. Vincent & the Grenadines without regard to its conflict of law principles.

DISPUTE RESOLUTION

We will use our best efforts to resolve any potential disputes through informal, good faith negotiations. If a potential dispute arises, you must contact us by sending an email to contact@dartdao.com so that we can attempt to resolve it without resorting to formal dispute resolution. If we aren't able to reach an informal resolution within sixty days of your email, then you and we both agree to resolve the potential dispute according to the process set forth below.

Any claim or controversy arising out of or relating to the Interface, this Agreement, including any question regarding this Agreement's existence, validity or termination, or any other acts or omissions for which you may contend that we are liable, including (but not limited to) any claim or controversy as to arbitrability ("Dispute"), shall be referred to and finally resolved by arbitration in St. Vincent & the Grenadines.

Restrictions

The Parties agree that any arbitration shall be limited to the Dispute between the Parties individually. To the full extent permitted by law, (a) no arbitration shall be joined with any other proceeding; (b) there is no right or authority for any Dispute to be arbitrated on a class-action basis

or to utilize class action procedures; and (c) there is no right or authority for any Dispute to be brought in a purported representative capacity on behalf of the general public or any other persons.

We reserve the right to correct any errors, inaccuracies, or omissions and to change or update the information on the platform at any time, without prior notice.
